

## Bernards PEC - SAVE the DATE!

Last June, the Bernards Parents for Exceptional Children (PEC) held our inaugural Precious Pearl Gala and raised almost \$50,000. As a result, a specially equipped van now takes students to their jobs and community training. We were also able to contribute materials for learning disabled classrooms and support recreational programs. Our success is due the tremendous support we received from the community.

Our **Second Annual Precious Pearl Gala - "A Night in Monte Carlo"** - will be held on **Saturday evening, November 13, 2010**. Don't miss being a part of our event this year. You will not only have a wonderful evening, you will be helping our community and the children of your friends, neighbors and business associates. The PEC supports all students with learning disabilities.

For more information and to get on the guest list, contact [bernardspec@gmail.com](mailto:bernardspec@gmail.com).

Mark your calendars to save the date!
