CHOICE TITLES

COURSE TITLE	Honors English 9
GRADE	9
TITLE	<i>Fahrenheit 451</i>
AUTHOR	Ray Bradbury
GENRE	Science-Fiction

DESCRIPTION

“Fahrenheit 451- the temperature at which books burn.” In the future, firemen will start fires instead of putting them out. Fireman Guy Montag loves the rush of adrenaline as he races to a fire to watch books burn. Then he meets a teenage girl who tells him of the past when people were not afraid and used to enjoy reading and making decisions. As his disillusionment with the present increases, he changes from the hunter to the hunted.

REQUIRED STUDENT RESPONSE

Identify elements of characterization and plot in the novel. You should take these notes either in a notebook or on *post-its* within the text as you read.
