Dear Parent(s)/Guardian(s),

This mailing contains all of the information regarding the 2010 Advanced Placement Exams, which will be given on site at Ridge High School during the weeks of May 3rd and May 10th (specific dates are listed below). For more precise information regarding CollegeBoard's AP testing policies and procedures, please refer to the *AP Bulletin* that your child received in school, or to the CollegeBoard Web site (<http://www.collegeboard.com/student/testing/ap/about.html>).

Once again, Ridge High School is partnering with *Capturepoint.com* and their secure website, *Community Pass*, for the registration process. This method will offer you the convenience of registering from home, in addition to providing us with immediate and accurate information on the status of our students. In the past, this process has proven to be expedient and efficient for all involved. It is our hope that this year's registration will run just as smoothly. **The AP registration period runs from February 1st through February 19th.**

Please consult the enclosed sheet for instructions, dates, deadlines, and other important information, and don't hesitate to contact me should you have any questions. Thank you for your participation.

Sincerely,

Jillian Shadis
Head Counselor
AP Coordinator
