Students not enrolled in seventh-grade Algebra, but who accelerate themselves and are requesting placement in Geometry in Grade 8 must:

- Earn an "A-" average or better in seventh-grade math class for first three marking periods
- Earn a "B" average or better in all seventh-grade classes for first three marking periods
- Show evidence of participation in a recognized program and show performance in that program at a B or better level.

---

Name of Institution where your child will be taking Algebra

- Receive a grade of B or better on a district created seventh-grade Algebra I proficiency exam that parallels the course final exam.

If you have any questions, please contact Marian Palumbo, Mathematics Supervisor at 204-2610 ext.132.

**I have read the above requirements and I understand that my child must meet all four requirements in order to accelerate into Geometry for Grade 8.**
